

Are your managers struggling to get the best performance from their people to achieve your business goals?

COACHING SKILLS FOR MANAGERS

Our **Coaching Skills for Managers** training course provides the key coaching skills and knowledge to enable your managers to operate as 'coaching managers' & enhance staff and business performance.

OUTCOMES

This introductory two day practical workshop provides the opportunity for managers to explore, practise, develop & receive feedback on their use of coaching skills & techniques. It will provide a solid grounding in the principles of coaching & a toolkit of practical techniques to enable managers to support enhanced performance and workplace relationships.

DELIVERY

2 x 1 day practical workshops with a period of workplace coaching practice in between:
Workshop 1: Thursday 21 January 2015 and
Workshop 2: Friday 12 February 2015

PRICE

Price for the full two day course is £850 (plus VAT) per delegate including all delivery, materials, lunch and refreshments. Discounts are available for organisations booking more than one place—please enquire at booking.

Workshop Leaders

This workshop is the result of collaboration between **Sally Bernham of Idyia and Dorothy Foote of Level Seven** and brings together their coaching expertise as both practitioners and coaching tutors at the University of Cambridge.

Venue: Holiday Inn Express,
Loake Close, Grange Park,
Northampton NN4 5EZ
